

SOUL'S BUSINESS PRESELECT

SOUL'S BUSINESS PRESELECT

Soul's Business Preselect is an outbound voice service that allows a customer to take advantage of Soul's market-leading rates for national, international and fixed to mobile calls. The service requires no hardware expenses or system upgrades, so the switch is easy.

Benefits for your business

We know that Voice is the lifeline of your business. We also realise you need a reliable partner, who can provide you with a Voice Solution which meets your requirements.

Soul has a complete range of Voice Solutions for businesses of all sizes. The solutions offer you more value, more flexibility and the stability that only a true national carrier can provide.

We value your business, and we're confident that once you're connected the returns for your business will be evident.

Tailored Solutions

We realise all businesses are different. That's why Soul provides you with a dedicated Account Manager who takes a genuine interest in working with you to understand the drivers that impact your business. This will ensure that the most suitable solution possible will be deployed to reduce your costs and increase the overall effectiveness of your business.

Competitive Call Rates

Looking for an easy way to reduce your call costs? When you switch to Soul, your business will enjoy our competitive rates. We are committed to providing your business with the cost savings associated with Soul's nation wide network.

Soul Volume Discounts

At Soul we want you to receive the maximum benefit possible from our services. The more you spend with Soul, the more your business will benefit from our competitive call charges. Unlike other providers, Soul offers a single bill solution for all your voice requirements.

Customer Support

Our Customer Support team is available 24 hours a day, 7 days a week and ready to assist you with any queries you may have.
